Street Fest 2016

Hello friends and supporters! I am writing once again to tell you about the Spring Kickoff event for our wonderful town, another exciting edition of Street Fest! Street Fest this year will be held June 4th and will once again be held in conjunction with our City Wide Rummage Sale. As in years past, we will need your help in several ways:

1. We are always in need for fresh ideas and new sources of fun! Please submit your ideas and activities to Aaron Roseland (567-2418) or the Chamber Office (567-2531) so that we can include them in our advertising by May 15th.

2. We are asking for $25 per business to help with the advertising costs.

3. Volunteers are always needed. The biggest area we are going to need help is with the kids games. If you can help by donating an hour or two, that would be great! We would like your help planning a successful event for all of the visitors.

4. Join us for the fun on June 4th.

For those not familiar with Street Fest, the day is based around the City Wide Rummage Sale. We have chosen to utilize this opportunity, as there are many visitors to our community on that day, to spotlight all of the great businesses in town. To do this, we hold a variety of activities, sales, and events all over town. The Hettinger Area Chamber of Commerce promotes the activities, but the activities and events are all run independently by businesses and organizations.

So far the activities planned include but are not limited to:

- Funflatables – Let the good times bounce! Fun activities for youth!
- Our Annual Noon Burgers and Brats (West River Veterinary Services stepping up once again!!!)
- Tours of local businesses and special, one day only sales from our local businesses
- Cornhole Tournament Sponsored by the Hettinger Jaycees
- Businesses including those off Main Street, Organizations, & Home Businesses with displays and/or sales on Main St.
- And of course… Our city wide rummage sales!!!!!

Businesses and Participating Organizations are asked to send or drop off their $25 sponsorship to Hettinger Chamber PO Box 1031 by May 2nd. Businesses not responding by that date will be personally contacted by members of the Street Fest Committee.

Thank you for your help and support.

Aaron Roseland
