Locally most land is posted, however if you go to a farmer's door and ask politely, most farmers, depending upon how many are hunting on their land that day, will allow you to hunt. Some charge a fee others do not. No list of "farmers/ranchers who allow hunting on their land" is available.

PLOTS GUIDE, available from the ND Game & Fish Dept., gives a complete listing of "Public Access for Walk in Hunting" locations statewide www.gf.nd.gov
